

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Soccer Clinic

The YMCA of Southeast Missouri believes in nurturing every youth and teen in our community. In conjunction with "Sports For You", this program will accomplish that by fostering a positive atmosphere where the kids can learn about specific skills for the game of soccer to help them be ready for the upcoming Spring Soccer Season. It is our goal to not only equip each player with specific soccer skills, but more importantly help lead them into being an accomplished young person in our community.
